Independent Verification Worksheet – V6 Tracking Group

The federal government has selected your financial aid application for a process called verification. During verification WCC will compare information reported on your FAFSA to information on your, and your spouse's (if you're married), 2013 federal income tax transcript(s). Federal law says WCC has the right to ask you for this information before we can award you financial aid. If there are differences in information on your FAFSA and the tax transcript(s), WCC may need to make corrections to your FAFSA.

Please complete, sign this worksheet, and attach (if you have not used the IRS data retrieval tool) a copy of your (and your spouse's if you're married) 2013 federal income tax return transcript(s).
